How will digital sustain the news operation when it presently accounts for only a fraction of revenue?

Product Context

Digital revenue is two-pronged:
advertising and subscription revenue.
Yet, ads and subscription marketing
compete for attention.

Operational Context

How can news feel handcrafted at scale?

Putin Says Clinton Incited Protests Over Russian Vote

JAMES HILL FOR THE NEW YORK TIMES

By DAVID M. HERSZENHORN and STEVEN LEE MYERS 3:09 PM ET

MOSCOW — Prime Minister Vladimir V. Putin on Thursday accused Secretary of State Hillary Rodham Clinton of instigating protests over the results of Russia's parliamentary elections by baselessly criticizing the vote as "dishonest and unfair" and he warned

that Russia needed to protect against "interference" by foreign governments in its internal affairs.

"I looked at the first reaction of our U.S. partners," Mr. Putin said in remarks to political allies. "The first thing that the secretary of state did was say that they were not honest and not fair, but she had not even yet received

Two Dead in Shooting on Virginia Tech Campus

By SABRINA TAVERNISE and J. DAVID GOODMAN 22 minutes ago

Two people, including a police officer, were dead after a shooting on Thursday afternoon on the campus of Virginia Tech, the scene of a 2007 massacre in which 33 people were killed, university officials said.

The shooting took place around noon, a university spokesman said, after a campus police officer made what was described as a routine traffic stop in a

European Central Bank Moves to Head Off Credit Crunch

By JACK EWING 2:53 PM ET

FRANKFURT — The European Central Bank moved aggressively to head off a recession and credit crunch in the euro area Thursday, but the bank disappointed expectations that it might ramp up its bond-buying program to contain the sovereign debt crisis.

The E.C.B. cut its benchmark interest rate for the second straight month and took unprecedented steps to expand emergency financing for cash-starved banks.

But stocks and the euro fell after Mario Draghi, the E.C.B. president, dashed hopes that the bank might drastically scale up its purchases of
